1. National Workshop on Entrepreneurship in Herbal Products on 20/9/2021

PG Department of Botany organized one-day National Workshop on 'Entrepreneurship in Herbal Products' under DD Pant Botanical Society on September 20, 2021. Principal Prof. Dr. (Mrs.) Ajay Sareen stressed upon the need of getting the knowledge about herbal products, their production and empowering the women by setting up small set ups by utilizing the knowledge based on these herbal products. During COVID-19 people are looking on Ayurveda for boosting immunity which is based on this traditional knowledge of plants & plant based products. She congratulated the department for organizing such a successful event. The Resource Person was Dr. Anjana Bhatia. More than 700 students, teachers, researchers from various institutes registered for the workshop.

Workshop on Herbal Products

Welcome Entrepreneurs from Botany

We have set up a exciting and informative week opening for

Entrepreneurial Botany is the study of how new businesses are created using plant resources as well as the actual process of starting a new business.

An **entrepreneur** is someone who has an idea and who works to create a product or service that people will buy, by building an organization to support the sales.

Entrepreneurship is now a popular topic for students, with a focus on developing ideas to create new ventures among the young people.

Ethnobotany is the study of a region's plants and their practical uses through the traditional knowledge of a local culture and people

- Entrepreneurship development in medicinal and aromatic plants is an approach of developing human resource and train the youth for taking risk and managing resources in efficient way.
- The objective of the study is to understand the current situation, trends and potential of medicinal and aromatic plants for development of entrepreneurship.
- Entrepreneurship in medicinal and aromatic plant includes
 - * production,
 - * processing,
 - * marketing,
 - * trade, and
 - * distribution of raw materials, also including
 - * supply of inputs and services.

2. Writers' Conclave-2021 on 22/10/2021

PG Department of Mass Communication and Video Production along with HVM Alumnae Welfare Association organized Writers' Conclave 2021 to stimulate young writers under the sagacious guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen. The occasion witnessed the presence of Mrs. Sarvinder Kaur, President HVM Alumnae Welfare Association and Chief Executive Ajit Newspaper Groups, eminent writers, Mr. Des Raj Kali, Mrs. Preet Inder Dhillon and Media Strategist Mr. Naveen Sharma. The guests were accorded green and warm welcome by Principal Dr. Ajay Sareen.

Mrs. Preet Inder Dhillon narrated the struggle and challenges of her life which turned her interest towards writing. She felt that writing gives relaxation and relief from the mental agonies. Words make the life worth living and beautiful. Mr. Des Raj Kali elaborated on the depiction of sociology and philosophy in the folk literature and Gurbani. He said that our literature and culture is a reflection of the desires and relationships of the human beings. Mr. Naveen Sharma spoke about various opportunities available to the writers in the present world. Mrs. Savita Mahendru presented the vote of thanks and thanked all the dignitaries. The organizers of the event were Mrs. Binoo Gupta, Dean Student Welfare and Mrs. Rama Sharma, Head MCVP.

5. Smart India Hackathon on 04/04/2022

Institution Innovation Council of Hans Raj Mahila Maha Vidyalaya, Jalandhar is known for innovations. Under the able guidance of Principal Prof. Dr. (Mrs.) Ajay Sareen, students participated in SMART India Hackathon-2022 which was organized to enhance the innovation streak among potential innovators and promising scientists and to further establish the idea-sharing, effective collaboration and creativeness driven by enthusiasm towards a shared goal. Smart India Hackathon-2022 is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product

innovation and a mindset of problem solving. Talented youngsters from HMV offered out-of-the-box solutions to various problems like water pollution, reinventing Indian culture, e-commerce, various helping aids for persons with disabilities and mental problems, energy conservation etc. A number of students from various streams participated in the hackathon. Ideas of teams WeEvolve, WaterPhi, My Digi Yatra, Dharma Chanters, Alert Tech were specially appreciated. The role of jury was played by Mrs. Navneeta, Dr. Minakshi Duggal Mehta, Mr. Ashish Chadha and Mr. Rishabh Dhir. Dr. Anjana Bhatia, Incharge Innovation Council remarked that the theme of this hackathon was “No problem is too big... No idea is too small”. She further said that this idea hackathon was organized to provide solutions to various Problem statements submitted by Central & State Ministries, Departments, PSUs, Industries & NGOs etc on the Smart India Hackathon portal. Gauri Jindal, Diksha, Mehak Bhatia, Deepali, Harshita, Palak Rana, Sehajdeep, Palak, Jasleen, Manpreet, Muskan, Massarat, Aksriti, Navreen, Khusboo were chosen for idea submission. Principal Dr. Ajay Sareen congratulated the participants and said that such endeavours stimulate the innovative minds and help build a more creative society and nation.

6. Capacity Building Programme from 6/4/22 to 12/4/2022

With 96 years of glorious annals to its credit, Hans Raj Mahila Maha Vidyalaya is vibrantly marching forward, setting new patterns for empowering women and building a better nation. The pioneers of DAV initiated a herculean mission to educate girls and dispel the darkness around and thus the Foundation Day of HMV need to be as grand the mission itself. The elaborate celebrations which extended over the whole work from 6th April to 12th April, 2022 kick started with an enlightening session on Capacity Building and Personality Development Programme. The event was a joint venture of HMV, Institution Innovation Council and National Commission for women. The session was aimed to enhance the entrepreneurial skills, communication skills and digital literacy. It was a great opportunity for hard working girls to hone their skills free of cost and prepare themselves for the professional world. The guest of the programme was Mrs. Navjot Dhillon RJ and Media Person from Canada and also an Alumna of HMV. She was accorded a green welcome by Principal Dr. Ajay Sareen and members of Alumni Association Mrs. Binoo Gupta, Mrs. Savita Mahendru, Mrs. Kajal along with Dr. Anjana Bhatia. Offering a formal welcome to the guest, Principal Dr. Ajay Sareen remarked that if we want to give a direction to the society, we must educate and empower its women. She also advised the students to be confident and accept themselves the way they are. Harping on similar notes of acceptance, Mrs. Navjot told that she uses ACCEPT as an acronym for awareness, communication, confidence, empowerment, positive perspective and transformation. Unfolding her journey of life to the students, she narrated many personal experiences to exemplify how confidence makes a difference in lives. The session was attended by Final Year students of UG and PG classes.

7. IP Literacy Awareness Programme on 1/5/2022

The training session focussed on different aspects of Intellectual Property Rights (IPRs) such as Patent, Design, Trademark, Copyright and Geographical Indication. Sh. Sandeep Singh discussed about Different type of IPR'S , Utilization and Commercialization , -Introduction to Patents, Patent Application Filing ,Patent Application Processing , -Various Timelines for the Patents, Introduction to Designs, Introduction to Trademarks, Introduction to Copyrights, Introduction to Geographical Indications ,Career Opportunities etc. The students gained a lot from this webinar. Principal Dr. Ajay Sareen congratulated the Institution Innovation Council for organizing the event. On this occasion, Dr Anjana Bhatia, Dean, Innovations and Research expressed her gratitude towards Innovation Cell of Ministry of Education for selecting HMV as one of the centres for organizing this programme. Dr. Meenakshi Duggal and Dr. Jaspreet were incharges of the event. The webinar was attended by students and teachers of HMV-IIC.

The image shows a video conference interface with four participants in the top row. Below them is a presentation slide titled "INTELLECTUAL PROPERTY RIGHTS". The slide features a funnel diagram with three colored circles inside: a green circle labeled "Resources", a red circle labeled "Brain", and a blue circle labeled "Labor". An arrow points from the bottom of the funnel to the word "Property". The slide is part of a presentation in Nitro Pro 8, with a sidebar on the left showing slide thumbnails and a top menu bar with various editing tools. The NIPAM logo is visible in the top right corner of the slide.

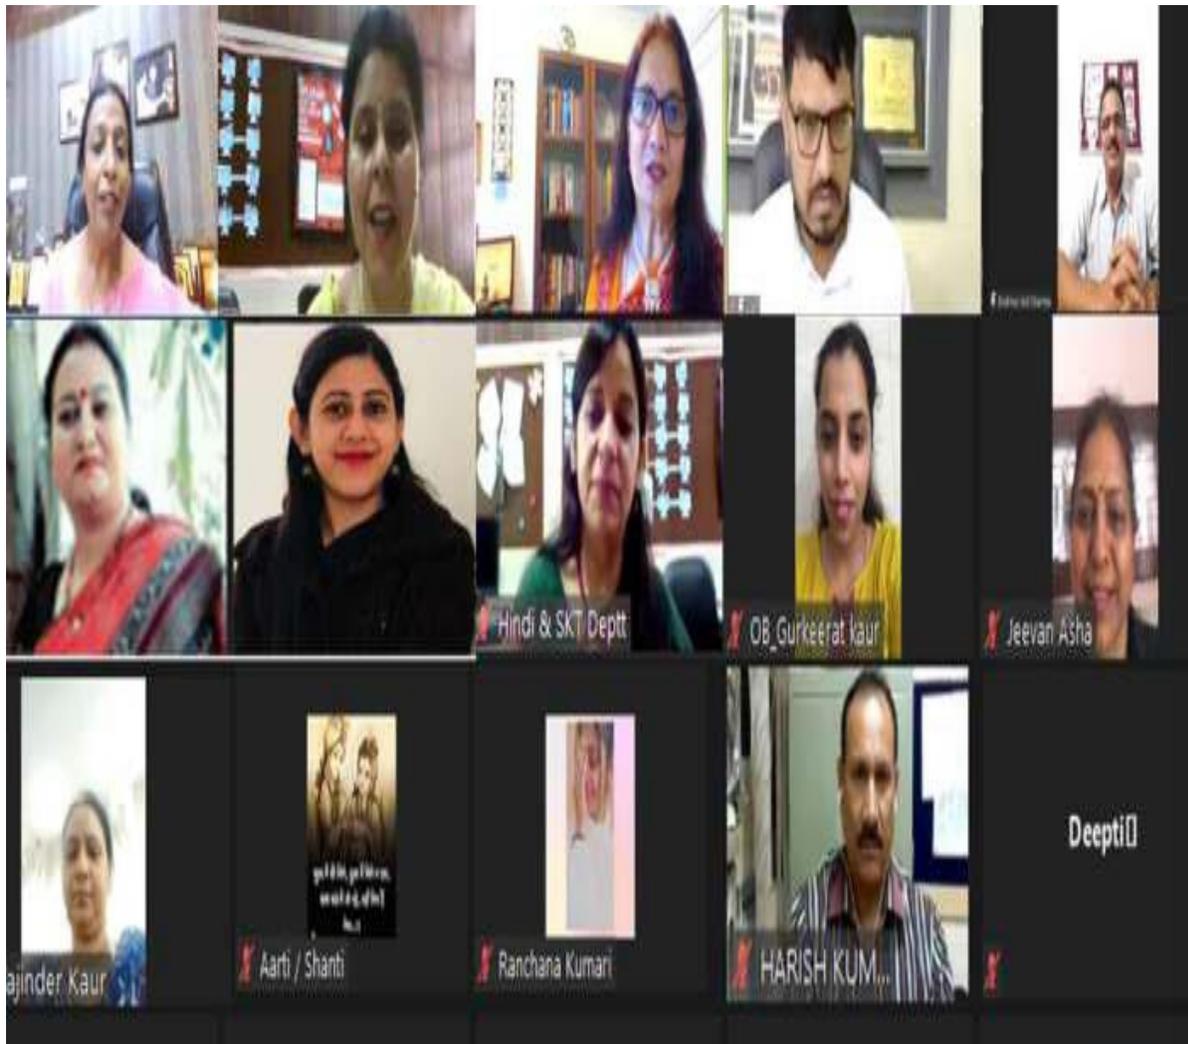

WHAT IS INTELLECTUAL PROPERTY?

- The word 'intellect' refers to the creations of the mind.
- Intellectual Property is a type of intangible property and includes inventions, literary and artistic works, symbols, names and paintings.
- Intellectual Property Rights (IPRs) are the Rights granted to the creators of Intellectual Property (IP) by the Government.
- Most IPRs are territorial in nature. For protection of IP in any country, one has to seek protection separately under the relevant laws. There are special mechanisms in place in various territories for providing protection to different types of IPRs. .

II. Language and Communication skills

1. The Contribution of Arya Samaj and Hindi in the Freedom Struggle'(11/8/2021)
