

REPORT ON ANALYSIS OF FEEDBACK FROM ALUMNAE
(2017-18)

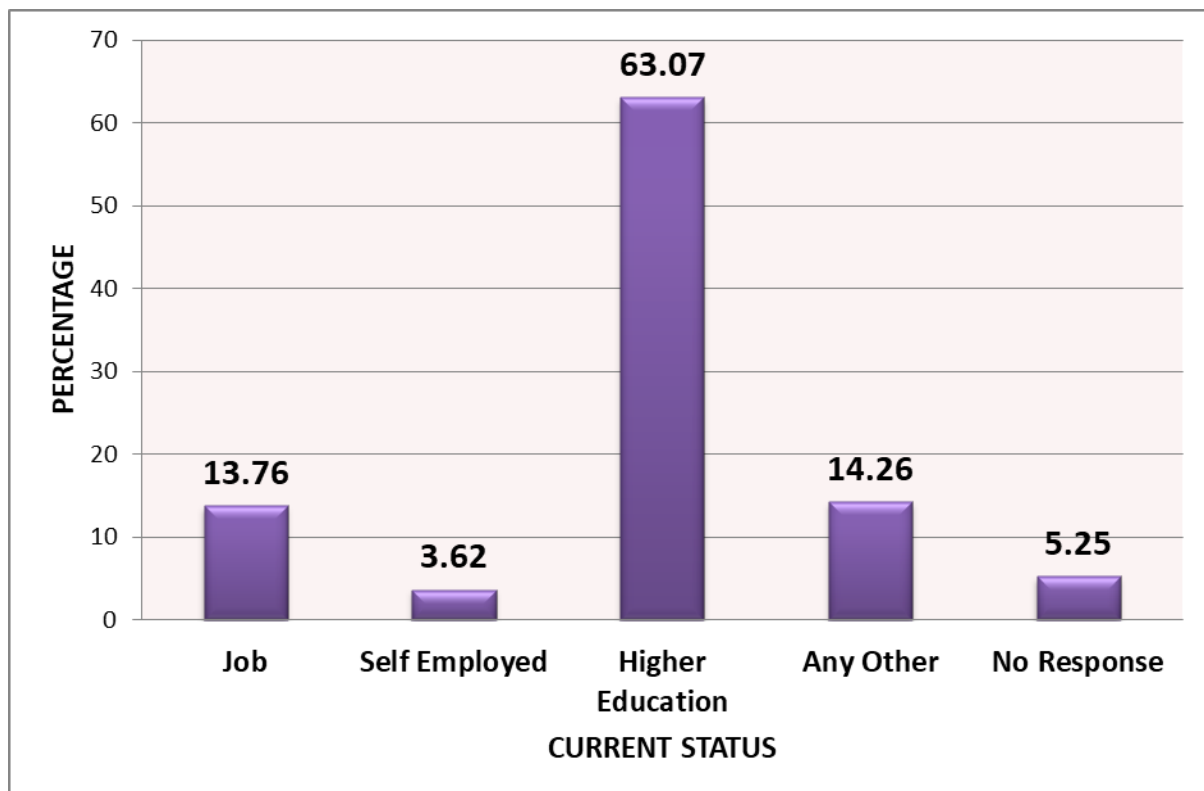

RESULT OF ANALYSIS OF ALUMNAE QUESTIONNAIRE

(Session 2017-18)

HMV Alumnae Welfare Association (Regd.) on 5th April, 2017, the only of its kind in Jalandhar City, aims to unite and strengthen HMV alumnae tie among alumnae and Alma Mater. It is an active and impressive body with graduation and post graduation registering both as life members and annual members. Till date, 95 alumnae have registered as life members of the Association. The Association not only promotes and inspires a sense of belongingness among the old students for its Alma Mater but also collect Alumnae's suggestions and observations in the form of feedback for the development of the Institution.

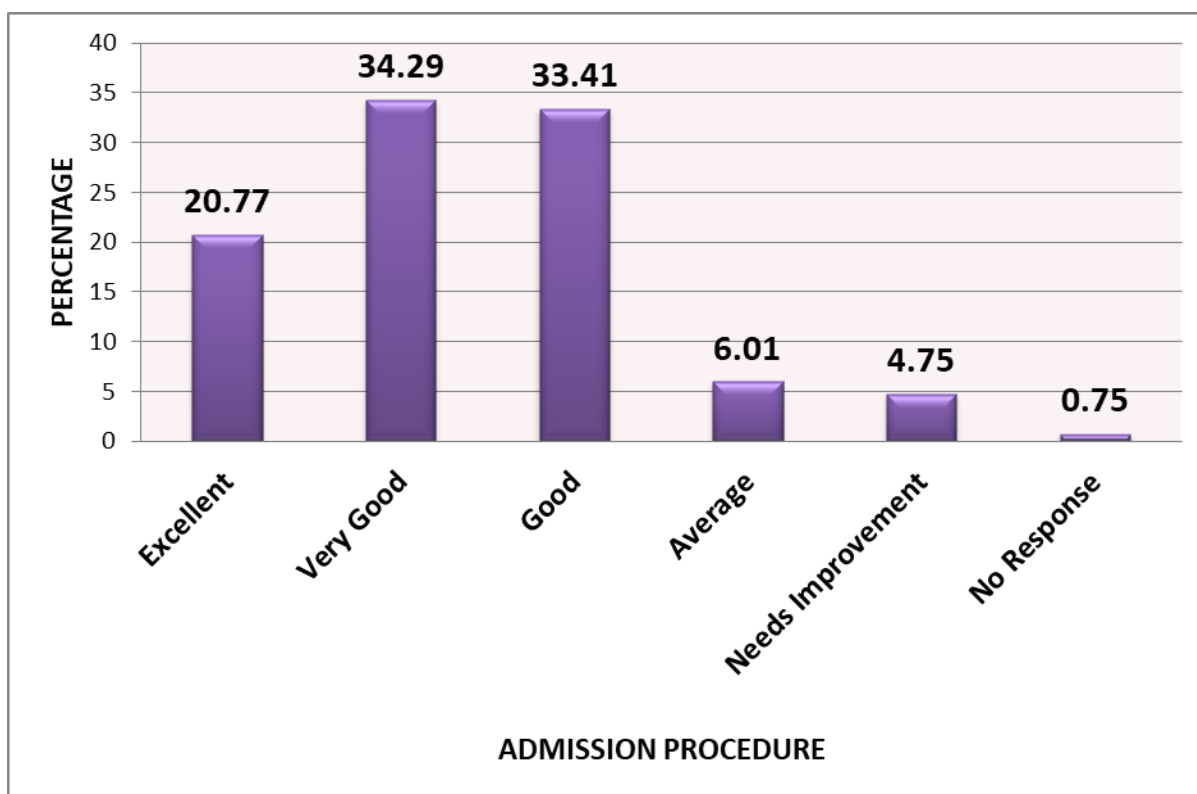

With an objective to make an assessment of the institution with a view to make overall assessment regarding academic, infrastructure, placements, work culture, structural capability and the general environment of the college, which has already excelled in the northern region, alumnae questionnaires (Annexure) were prepared and got filled from 799 alumnae of the session 2017-18. An analysis is presented hereunder:

CURRENT STATUS

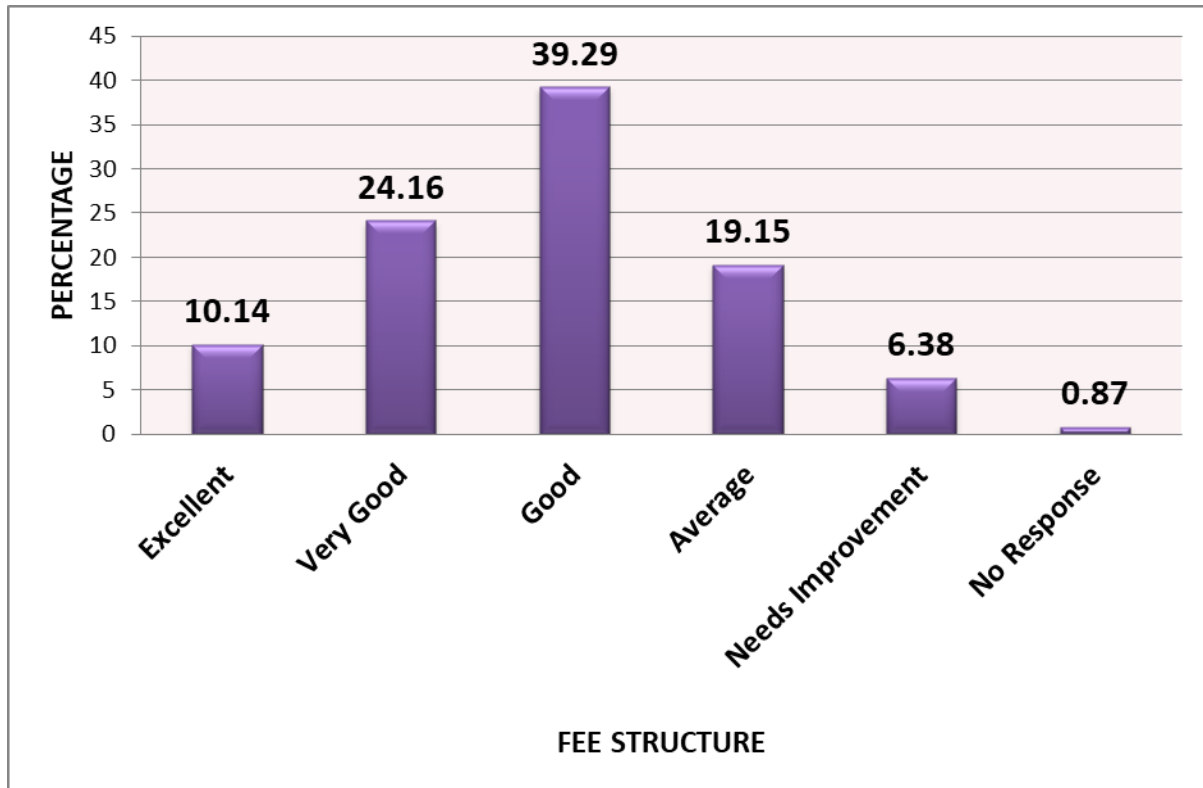

63.07% of alumnae have joined higher education and a satisfactory number i.e. 31.64% have professionally settled. It is a satisfying achievement of the college.

ADMISSION PROCEDURE

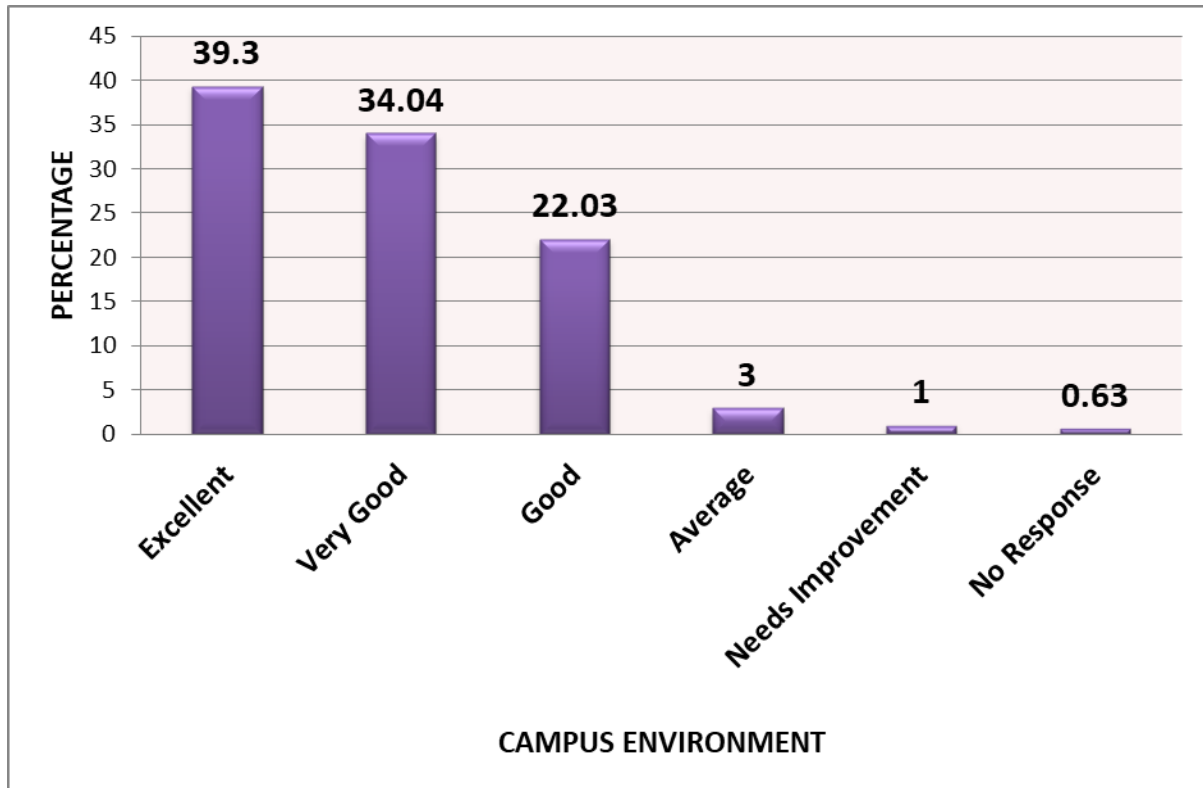

Over one-third alumnae i.e. 34.29% have expressed that admission procedure of the college is very good, 33.41% grade it as good and the remaining 28.77% declared it as an excellent one. As such, 94.48% alumnae are of the view that there is hardly any scope for further improvement in the admission procedure of the college.

FEE STRUCTURE

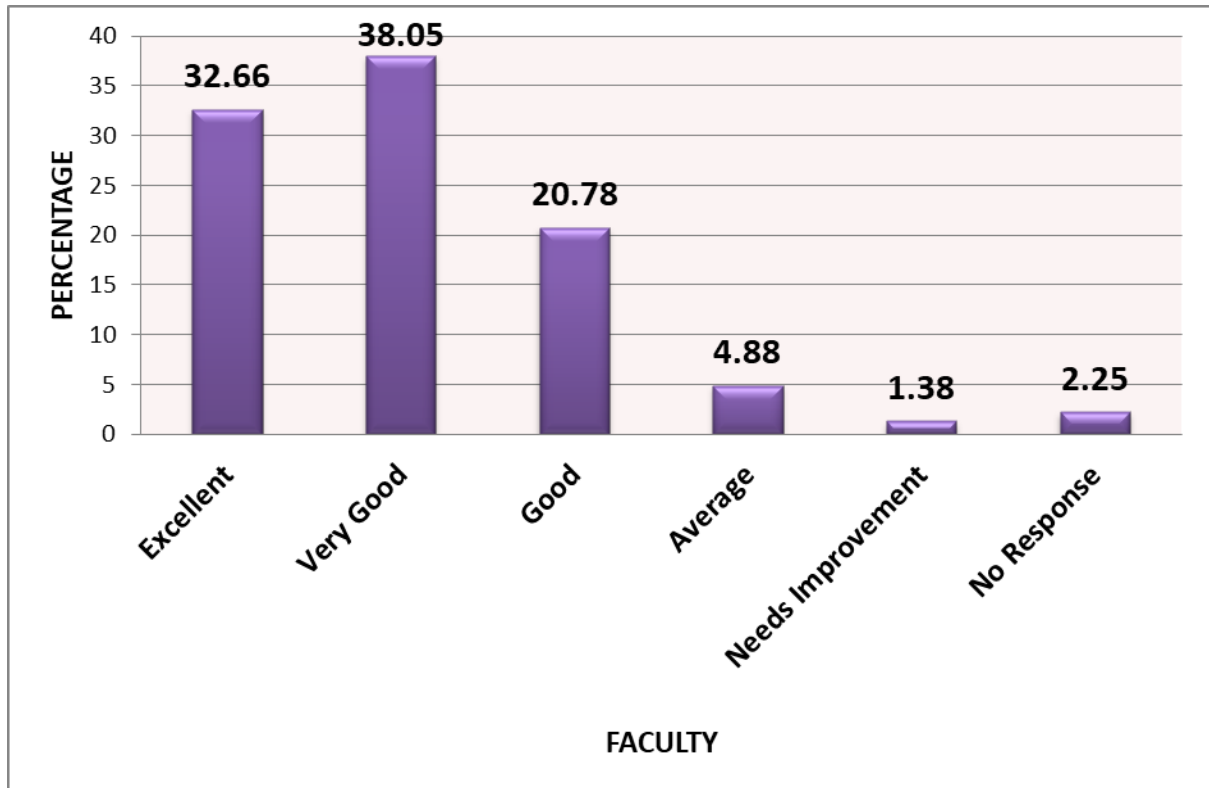

On the point of fee structure, as many as 73.59% of alumnae rate it as excellent, very good or good, thereby a vast majority feels satisfy with the fee structure of the college.

CAMPUS ENVIRONMENT

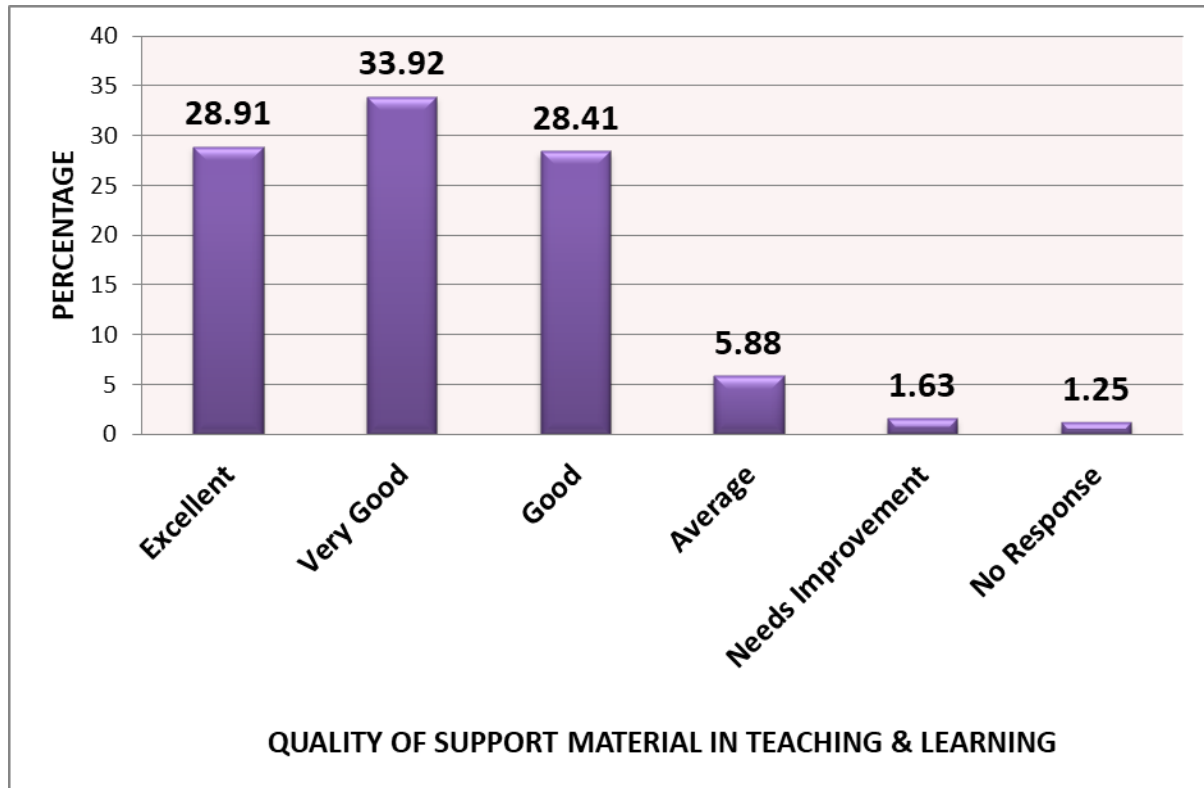

Regarding environment of the campus, the information from alumnae reveals 39.3% declaring it as excellent and 56.07% grading it as very good or good. Therefore, 98.37% alumnae are more than satisfied with the campus environment.

FACULTY

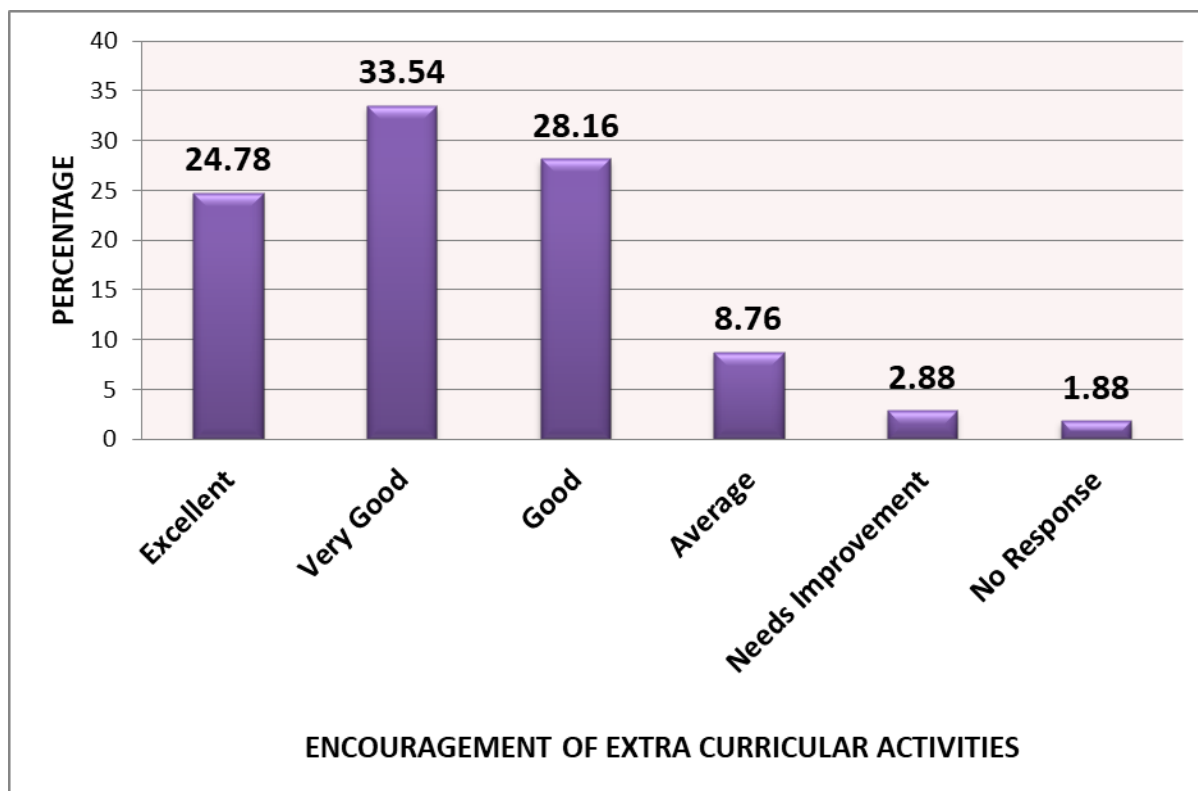

Faculty is the backbone of any institution. 70.71% alumnae submitted the response that the faculty of the college is excellent or very good while 20.78% of our alumnae claim that it is good. Thus, almost the entire alumnae (i.e. 96.37%) are satisfied with the faculty.

QUALITY OF SUPPORT MATERIAL IN TEACHING AND LEARNING

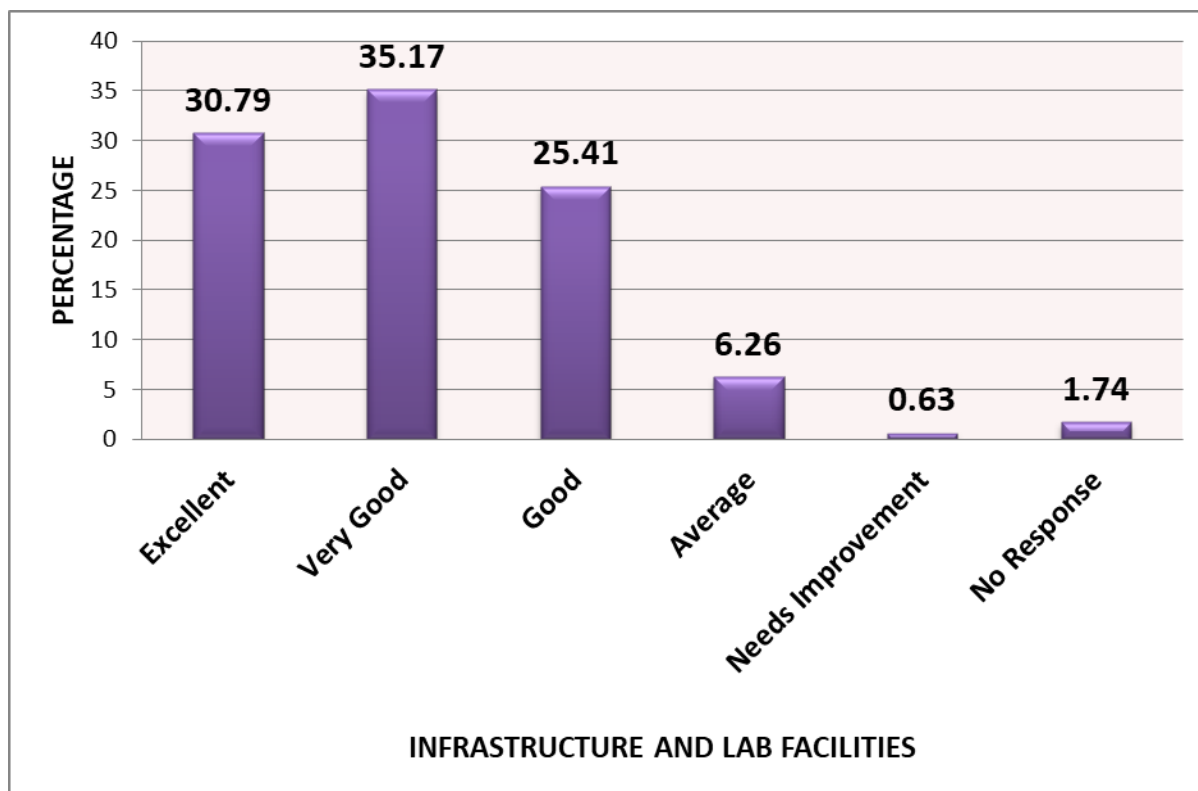

28.91% of our alumnae rated the quality of support material in teaching and learning as excellent, 33.92% alumnae rated the quality as very good and 28.41% rated it as good. Thus, 97.12% of our grauate alumnae are satisfied with the quality of support material in teaching and learning where as 1.63% alumnae believe that there is a scope for improvement.

ENCOURAGEMENT OF EXTRA CURRICULAR ACTIVITIES

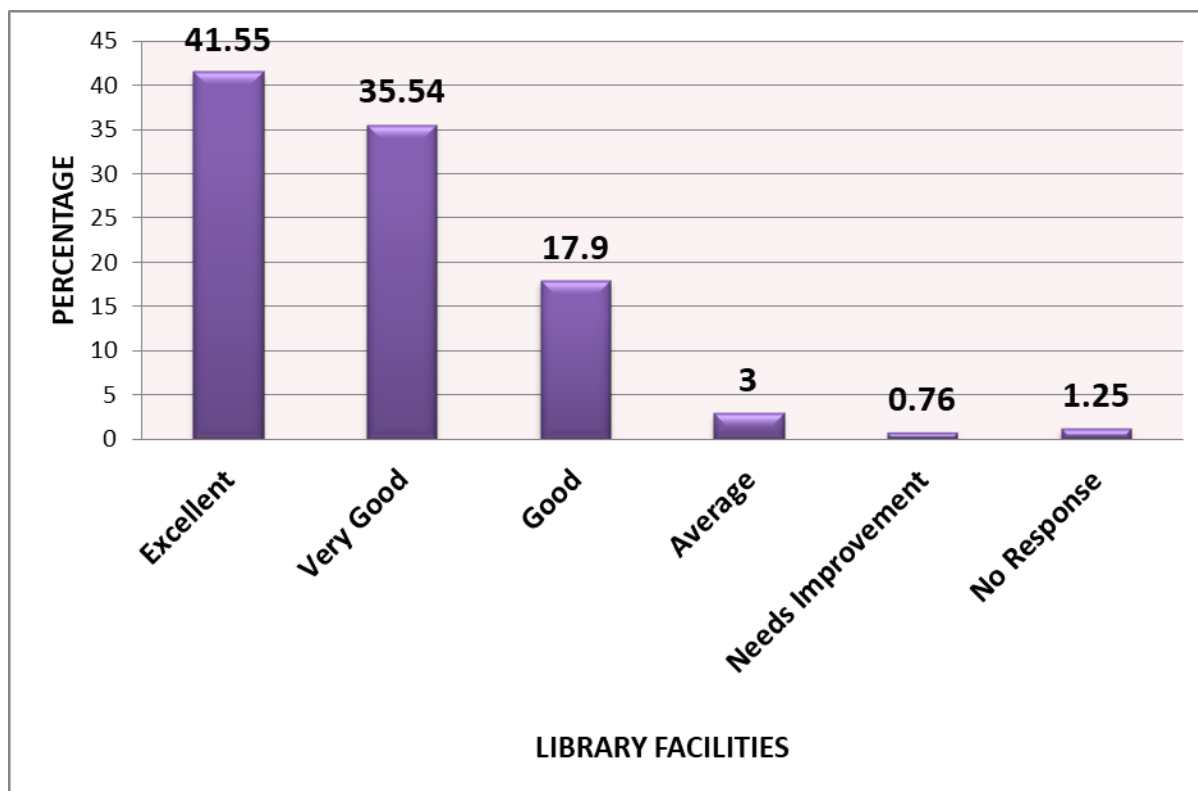

As regards the extra curricular activities of the college, 95.23% alumane are of the view that the institution provides more than sufficient encouragement to paricipate in such activities. They are of the view that extra curricular activities are equally helpful for overall growth of the personality.
