Foundation day of the college is celebrated every year on April 7, to mark the post independence new beginning of Hans Raj Mahila Maha Vidyalaya at Jalandhar, by laying of the foundation stone of the present day premises in 1957, by Dr Sarvapalli Radhakrishnan, the then Vice President of India.

Every year an innovative initiative is taken by the college administration. This year the motto is "Save Birds Save Environment."

As per the motto of this year, earthen water bowls and feeders were placed at the HMV chowk and entire HMV campus.

The fine arts students beautified the chowk by painting the walls of the chowk forwarding the theme of women empowerment "Beti Padhao, Beti Bachao".
