Blessings from The Desk

As we step into the New Year, I extend my warmest greetings to all members of the Hans Raj Mahila Maha Vidyalaya family—students, faculty, staff, and alumni. The year 2024 has been a year of remarkable achievements for HMV. Our students have excelled not only in academics but also in sports, cultural events, and social initiatives, bringing pride to our institution. These accomplishments reflect our unwavering commitment to nurturing holistic development and empowering young minds. We have also made significant strides in the field of academic research. Our faculty and students have engaged in cutting-edge research, contributing to new knowledge and innovations in various disciplines. The growing number of academic collaborations with renowned institutions has further strengthened our academic ecosystem. These partnerships provide our students and faculty with invaluable opportunities to exchange ideas, broaden their perspectives, and engage in groundbreaking research. As we move into 2025, I encourage all members of the HMV family to continue pushing the boundaries of knowledge and excellence. Let us build on the momentum of 2024, embrace new challenges, and continue to foster a spirit of inquiry, creativity, and collaboration. I am confident that this year will bring even greater achievements, both in academics and beyond.

Let us remain committed to the values of integrity, discipline, and empowerment, and continue making HMV a beacon of knowledge and progress.

Wishing everyone a prosperous and fulfilling New Year ahead!

Prof. Dr. (Mrs.) Ajay Sareen

Principal, Hans Raj Mahila Maha Vidyalaya, Jalandhar

From The Editors

As we usher in the New Year, it is with immense pride and joy that I extend my warm greetings to the Hans Raj Mahila Maha Vidyalaya family. The year 2024 has been one of tremendous achievements for our institution. Our students have excelled in every sphere—be it academics, sports, cultural activities, or environmental initiatives. Whether it was clinching awards at inter-college competitions, securing top ranks in academic pursuits, or actively participating in environmental conservation drives, each of these feats speaks volumes about the caliber, creativity, and commitment of our student body.

While we celebrate these accomplishments, it is also essential to reflect on the values that have guided us through this journey. In a world of rapid change, it is easy to lose touch with our roots. However, it is through our traditions, culture, and heritage that we find our true strength. As we stand on the threshold of a new year, let us reconnect with the values that have shaped us and continue to inspire us. The upcoming Maha Kumbh, a symbol of unity, faith, and spiritual awakening, reminds us of the importance of staying grounded and embracing our shared cultural legacy.

I encourage all members of the HMV community to not only strive for excellence in their respective fields but also to remain rooted in the wisdom of our ancestors, which will guide us to a brighter and more harmonious future.

Wishing you all a year filled with success, peace, and enlightenment.

HMV Hosts Waste to Wealth Exhibition Under Swachhta Hi Seva Mission

Hans Raj Mahila Maha Vidyalaya organized a grand Waste to Wealth exhibition under the Swachhta Hi Seva Mission, with the initiative spearheaded by Principal Dr. Ajay Sareen. The event reflected the institution's ongoing commitment to promoting environmental awareness and sustainability. The event was inaugurated with great enthusiasm. Principal Dr. Sareen, while addressing the participants, emphasized the importance of implementing the Swachhta Hi Seva ethos in daily life, stating, "We must focus not only on cleaning our physical surroundings but also on cleansing our minds and hearts." Her leadership has been instrumental in advancing HMV's environmental initiatives. She urged all attendees to adopt cleanliness as a way of life, fostering a culture of responsibility toward the environment. Dr. Anjana Bhatia, Dean of Innovation, echoed these sentiments, reiterating HMV's deep commitment to the cause of environmental conservation. She highlighted the importance of innovative approaches to waste management, and how creativity can transform junk into useful items, which contributes to reducing carbon footprints. The exhibition, overseen by Dr. Rakhi Mehta, Mrs. Navneeta, and Dr. Shailendra, encouraged students to be resourceful, turning waste into items of value. This event was a true celebration of ingenuity, as students created a variety of functional products from discarded materials, demonstrating how waste could be repurposed creatively. The NSS unit played a significant role in the event. NSS in-charges, Dr. Veena and Ms. Harmanu, motivated students to actively participate in the Swachhta Hi Seva mission. NSS volunteers not only prepared useful items from waste but also organized a rally to promote the segregation of waste at the source. The rally aimed to spread awareness about the importance of sorting waste for better recycling and disposal practices. To further solidify their commitment, a pledge was taken by all participants to implement Swachhta Hi Seva practices in their daily lives, making cleanliness an integral part of their lifestyle. In collaboration with Team Unnat Bharat Abhiyan, Dr. Minakshi Duggal also participated in the event, contributing to the educational aspect of the exhibition by showcasing how such initiatives align with national goals of sustainable development. Her involvement emphasized the broader impact of local initiatives on national missions. Adding to the diverse participation, students from HMV Collegiate Senior Secondary School took part under the guidance of Co-Cordinator Mrs. Arvinder. Their involvement highlighted the enthusiasm of younger students in embracing environmental causes and contributing to the broader mission of waste management. At the conclusion of the event, Principal Dr. Ajay Sareen distributed planters to all participants, symbolizing the ongoing commitment to nurturing a greener future. The planters were a fitting reminder of the need to care for the environment as we nurture plants—both acts requiring consistent care and attention. The Waste to Wealth exhibition was a resounding success, drawing attention to the importance of sustainability and creative waste management. It not only raised awareness among the students but also inspired the community to adopt cleaner, greener practices. The event is part of HMV's larger effort to integrate environmental consciousness into the institution's ethos, fostering a generation of eco-conscious leaders.
